Friday 25 November 2011 / 8am to 6pm

Market Towers, 1 Nine Elms Lane, Vauxhall, SW8 5NQ

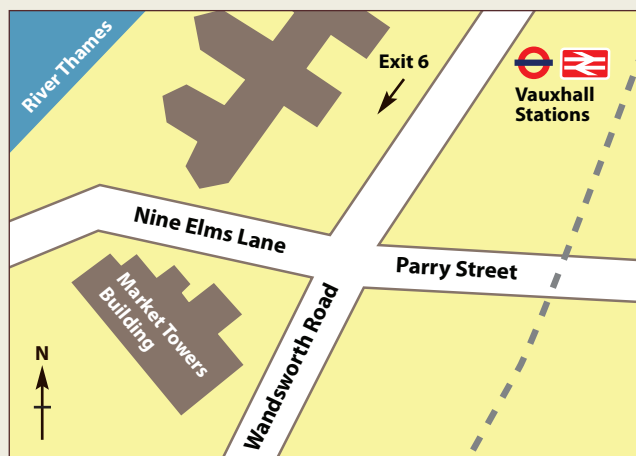

Come and find out more about the largest area of central riverside redevelopment in London.

What to expect:

- The latest information about the Vauxhall Nine Elms Battersea (VNEB) redevelopments.
- An update on the Northern line extension that will link the whole area to the tube network.
- A chance to know more about proposed improvements for pedestrians, cyclists and local public transport users.
- Information about planned improvements to existing streets and a new linear park.
- A 3D model of the whole VNEB area.
- An opportunity to discuss proposals with the VNEB strategy board.

For more information visit:
